# TRANSPORT

The easiest way of moving around the city is public transportation. You can buy a ticket on almost every bus or train station and on every underground station.

If you're planning to buy a ticket, you have to consider:

- time in transportation - you can buy 20, 75 and 90 minutes tickets. You can also buy one or three-day
- zone in which you are traveling - all of the activities planned for you take place only in the first zone; tickets depending on how much you will be traveling;
- discounts - you can make sure for which discount you qualify here: <https://www.wtp.waw.pl/en/discount-entitlements/>
